MEMORANDUM FOR: Director of Central Intelligence

FROM : George L. Cary  
Legislative Counsel

SUBJECT : New Senate Select Committee on Intelligence  
Subcommittee Assignments

1. The Republicans late last week made Senate Select subcommittee assignments. Attached is a list of the majority and the minority assignments.

2. Both the Ad Hoc Subcommittee on Security Classification and the Ad Hoc Group on Investigations are new entities. The Ad Hoc Subcommittee on Security Classification will inquire into the need for sources and methods legislation, improvements needed in the present classification system, and the security of industrial contractors.

3. I do not believe the creation of the Ad Hoc Group on Investigations reflects a significantly increased Committee emphasis on investigations. The Committee sentiment was to centralize its investigations, so that when the need arises, staff members will not be pulled off other projects, such as the quality of intelligence study.
